FAZUA is a young brand that has disrupted the cycling industry in 2017 with its innovative drive system for agile and light e-bikes. From Ottobrunn near Munich, we set out to shape a new cycling culture with outstanding products that guarantee an exceptionally natural e-ride. Our diverse, open-minded, ambitious (and fun) team is constantly seeking new, inspiring talents who will help us push boundaries to shape the future of e-bike technology.

YOUR TASKS

- You design and implement the coolest ever features for our recently released FAZUA App, which will be the main control center for every FAZUA Energy Bike (e.g. for customization of support profiles)
- You will bring in your own ideas, that will have a big impact on our FAZUA App and digital environment
- You will closely cooperate with product owners and (embedded) software developers to align the app development with the physical product and its firmware
- You help pro-actively building up an energetic internal software team
- You take responsibility of software quality of internal and external software teams

YOUR PROFILE

- You completed a technical degree in informatics, computer science or a similar field
- You have a minimum of 3 years of relevant software development project experience
- You have experience in Flutter framework and Dart programming language
- You have profound experience in test driven development
- You have experience of working in agile projects, like SCRUM
- You know how to use git blindly

- You have an accurate, self-responsible and independent working style
- You are a creative and analytic thinker
- You speak fluent German and English

YOUR BENEFITS

- We are a diverse and international team of creative minds, passionate bike nerds, and progressive thinkers
- You will see your ideas taking shape quickly: bring in your thoughts, challenge the status quo and see innovations being implemented soon
- You can work remotely from home equipped with top hardware. Yet, in Ottobrunn, right on the outskirts of Munich, our headquarters also feature nice rooms, playful corners, kitchen and showers, a huge terrace, and the best colleagues
- Our location in the jaw-dropping Bavarian landscape offers a fantastic surrounding for rides. Take the chance to lease your dream bike on JobRad or simply grab one of our test bikes if available
- We try to live sustainability in everything we do – instead of just talking about it
- We are supportive of further education and foster ambitions of growth within the company
- We believe in regeneration and agility. Therefore, we offer 30 days of vacation for you to fuel up and find new inspiration as well as flexible part-time models such as e.g. our 4-day week
- Oh, and we love our company dogs!
