FAZUA is a young brand that has disrupted the cycling industry in 2017 with its innovative drive system for agile and light e-bikes. From Ottobrunn near Munich, we set out to shape a new cycling culture with outstanding products that guarantee an exceptionally natural e-ride. Our diverse, open-minded, ambitious (and fun) team is constantly seeking new, inspiring talents who will help us push boundaries to shape the future of e-bike technology.

YOUR TASKS

- You are responsible for the development and implementation of product-specific test sequences leading to a product release
- You create test benches
- You detect faults in components and products in the development and production status
- You help us design processes and structures within the department and develop validation plans, FMEA, test documentation, risk analyses and work with standards

YOUR PROFILE

- You completed technical vocational training or a study program with a technical background
- You have an understanding of mechanics and machine elements
- You distinguish yourself through manual skills such as the set-up and maintenance of test benches
- You know how to work with a PC (MS Office, Google Mail, etc.)
- You have an independent and accurate working style
- You are fluent in English and, preferably German

YOUR BENEFITS

- We are a diverse and international team of creative minds, passionate bike nerds, and progressive thinkers
- You will see your ideas taking shape quickly: bring in your thoughts, challenge the status quo and see innovations being implemented soon
- You can work remotely from home equipped with top hardware. Yet, in Ottobrunn, right on the outskirts of Munich, our headquarters also feature nice rooms, playful corners, kitchen and showers, a huge terrace, and the best colleagues
- Our location in the jaw-dropping Bavarian landscape offers a fantastic surrounding for rides. Take the chance to lease your dream bike on JobRad or simply grab one of our test bikes if available
- We try to live sustainability in everything we do – instead of just talking about it
- We are supportive of further education and foster ambitions of growth within the company
- We believe in regeneration and agility. Therefore, we offer 30 days of vacation for you to fuel up and find new inspiration as well as flexible part-time models such as e.g. our 4-day week
- Oh, and we love our company dogs!
