**FAZUA is a young brand that has disrupted the cycling industry in 2017 with its innovative drive system for agile and light e-bikes. From Ottobrunn near Munich, we set out to shape a new cycling culture with outstanding products that guarantee an exceptionally natural e-ride. Our diverse, open-minded, ambitious (and fun) team is constantly seeking new, inspiring talents who will help us push boundaries to shape the future of e-bike technology.**

## ***YOUR TASKS***

- You support our electronic team with building and modifying PCBA (removing and soldering SMD components)
- You perform and document electrical tests for the electronic and embedded software development team
- You organize the electronic workshop in terms of equipment, electronic components and so on
- You are managing stock and purchasing workshop material

## ***YOUR PROFILE***

- You are enrolled in a Bachelor's programme in electrical engineering or a similar programme at a German university
- You are passionate about electronics
- You know how to solder SMD components
- You are fluent in English (German is a plus)
- You have an organised way of working

## ***YOUR BENEFITS***

- We are a diverse and international team of creative minds, passionate bike nerds, and progressive thinkers
- You will see your ideas taking shape quickly: bring in your thoughts, challenge the status quo and see innovations being implemented soon
- You can work remotely from home equipped with top hardware. Yet, in Ottobrunn, right on the outskirts of Munich, our headquarters also feature nice rooms, playful corners, kitchen and showers, a huge terrace, and the best colleagues
- Our location in the jaw-dropping Bavarian landscape offers a fantastic surrounding for rides. Take the chance to lease your dream bike on JobRad or simply grab one of our test bikes if available
- We try to live sustainability in everything we do – instead of just talking about it
- We are supportive of further education and foster ambitions of growth within the company
- We believe in regeneration and agility. Therefore, we offer 30 days of vacation for you to fuel up and find new inspiration as well as flexible part-time models such as e.g. our 4-day week
- Oh, and we love our company dogs!
