Hardware Developer (m/f/d)

Immediately · Full time (40h/week) · Ottobrunn near Munich

At the headquarters in Ottobrunn near Munich, the Porsche eBike Performance GmbH develops and produces advanced drive systems for two brands: FAZUA with the focus on pioneering compact lightweights for agile e-bikes and under the brand name Porsche exceptionally powerful drive systems. FAZUA is a young, ambitious brand that has transformed the cycling industry in 2017 with its innovative drive system for agile, compact, lightweight (and extremely good looking) e-bikes. Since July 2022, we are a part of the Porsche eBike Performance GmbH. Our diverse, open-minded, ambitious (and fun) team is constantly seeking new, inspiring talents who will help us push boundaries to shape the future of e-bike technology.

DEINE BENEFITS

- We are a diverse and international team of creative minds, passionate bike nerds, and progressive thinkers
- You will see your ideas taking shape quickly: bring in your thoughts, challenge the status quo and see innovations being implemented soon
- You can work remotely from home equipped with top hardware. Yet, in Ottobrunn, right on the outskirts of Munich, our headquarters also feature nice rooms, a huge terrace, and the best colleagues
- Our location in the jaw-dropping Bavarian landscape offers a fantastic surrounding for rides. Take the chance to lease your dream bike on JobRad or simply grab one of our test bikes if available
- We try to live sustainability in everything we do – instead of just talking about it
- We are supportive of further education and foster ambitions of growth within the company
- We believe in regeneration and agility. Therefore, we offer 30 days of vacation for you to fuel up and find new inspiration
