## Quality Manager Parts (m/f/d)

Immediately · Full time 40h/week · Ottobrunn near Munich

**At the headquarters in Ottobrunn near Munich, the Porsche eBike Performance GmbH develops and produces advanced drive systems for two brands: FAZUA with the focus on pioneering compact lightweights for agile e-bikes and under the brand name Porsche exceptionally powerful drive systems. FAZUA is a young, ambitious brand that has transformed the cycling industry in 2017 with its innovative drive system for agile, compact, lightweight (and extremely good looking) e-bikes. Since July 2022, we are a part of the Porsche eBike Performance GmbH. Our diverse, open-minded, ambitious (and fun) team is constantly seeking new, inspiring talents who will help us push boundaries to shape the future of e-bike technology.**

### ***YOUR TASKS***

- You are the interface between internal departments (production, purchasing, etc.) and suppliers from the start of industrialisation
- You are responsible for the on-time industrialisation at the supplier and release production processes
- You ensure the quality and quantity requirements throughout the component cycle
- You accompany the industrialisation in the course of new projects, relocation or change of supplier
- You create transparency with regard to the technical implementation of the creation, modification and repair of tools.

## ***YOUR PROFILE***

- You have completed a degree in engineering or have a comparable qualification, e.g. a completed vocational training with additional qualification or professional experience in the QM environment.
- You have experience in working with and building up suppliers, preferably also industrialisation experience
- You have knowledge of quality management methods and systems
- You have a confident manner towards internal and external process partners
- You speak fluent German and English

## ***YOUR BENEFITS***

- We are a diverse and international team of creative minds, passionate bike nerds, and progressive thinkers
- You will see your ideas taking shape quickly: bring in your thoughts, challenge the status quo and see innovations being implemented soon
- You can work remotely from home equipped with top hardware. Yet, in Ottobrunn, right on the outskirts of Munich, our headquarters also feature nice rooms, a huge terrace, and the best colleagues
- Our location in the jaw-dropping Bavarian landscape offers a fantastic surrounding for rides. Take the chance to lease your dream bike on JobRad or simply grab one of our test bikes if available
- We try to live sustainability in everything we do – instead of just talking about it
- We are supportive of further education and foster ambitions of growth within the company
- We believe in regeneration and agility. Therefore, we offer 30 days of vacation for you to fuel up and find new inspiration
