At the headquarters in Ottobrunn near Munich, the Porsche eBike Performance GmbH develops and produces advanced drive systems for two brands: FAZUA with the focus on pioneering compact lightweights for agile e-bikes and under the brand name Porsche exceptionally powerful drive systems. FAZUA is a young, ambitious brand that has transformed the cycling industry in 2017 with its innovative drive system for agile, compact, lightweight (and extremely good looking) e-bikes. Since July 2022, we are a part of the Porsche eBike Performance GmbH. Our diverse, open-minded, ambitious (and fun) team is constantly seeking new, inspiring talents who will help us push boundaries to shape the future of e-bike technology.

YOUR TASKS

- You are the face of Porsche eBike Performance and independently look after our stationary specialist trade in your region and enjoy getting to grips with our drive systems
- You share the enthusiasm for Porsche and FAZUA products as well as our services and conduct service and sales trainings, sometimes with over 50 participants, thus increasing the quality of service in the market and indirectly also the sales of ebikes with FAZUA drive systems
- You plan marketing measures with our dealers and thus make the FAZUA brand visible at the point of sale on site and online
- You support our OEMs with the launch of new FAZUA products
- You work approx. 3-4 days per week in the field and 1-2 days remote
- You are on the road at events and trade fairs to maintain your B2B network
- You are the link between dealers, technical support and product management and contribute to the continuous improvement of our products

Porsche **eBike** Performance

YOUR PROFILE

- You have experience in field support and a good technical understanding and you are interested in e-bikes
- You can inspire others for you and your products and are used to speaking in front of people
- You communicate in a comprehensible, self-confident and target-oriented manner
- You work in a structured and independent manner and know how to integrate yourself into a remote team
- You have a very good knowledge of English, French, Belgian and Dutch
- You are a resident in Northern France or Western Germany
- You are passionate about what you do and see potential in how you can contribute your skills to the company

YOUR BENEFITS

- As a member of our Field Support team, you will be fully supported by Porsche, your team leader and your colleagues. We offer you first-class training to ensure that you feel comfortable and successful in your new job
- We are a diverse and international team of creative minds, passionate bike nerds, and progressive thinkers
- You will see your ideas taking shape quickly: bring in your thoughts, challenge the status quo and see innovations being implemented soon
- You can work remotely from home equipped with top hardware. Yet, in Ottobrunn, right on the outskirts of Munich, our headquarters also feature nice rooms, a huge terrace, and the best colleagues
- Our location in the jaw-dropping Bavarian landscape offers a fantastic surrounding for rides. Take the chance to lease your dream bike on JobRad or simply grab one of our test bikes if available
- We try to live sustainability in everything we do – instead of just talking about it
- We are supportive of further education and foster ambitions of growth within the company
- We believe in regeneration and agility. Therefore, we offer 30 days of vacation for you to fuel up and find new inspiration

Porsche **eBike** Performance

- -You will be provided with a company car, which you may also use privately
