Project Manager Production Lines (m/f/d)

Immediately · Full time 40h/week · Ottobrunn near Munich

At the headquarters in Ottobrunn near Munich, the Porsche eBike Performance GmbH develops and produces advanced drive systems for two brands: FAZUA with the focus on pioneering compact lightweights for agile e-bikes and under the brand name Porsche exceptionally powerful drive systems. FAZUA is a young, ambitious brand that has transformed the cycling industry in 2017 with its innovative drive system for agile, compact, lightweight (and extremely good looking) e-bikes. Since July 2022, we are a part of the Porsche eBike Performance GmbH. Our diverse, open-minded, ambitious (and fun) team is constantly seeking new, inspiring talents who will help us push boundaries to shape the future of e-bike technology.

YOUR TASKS

- Project manager for the creation of production lines for ebike drive systems
- Creation of project plans as well as the maintenance and documentation of projects
- Leading and structuring a highly qualified and interdisciplinary team of mechanical engineers, electrical engineers and production planners
- Coordinating cooperation with external service providers and plant engineers
- Review of specifications and requirements
- Deadline and cost control
- Progress determination, project status analyses and regular reporting to management
- Escalation of risks to the success of the project
- Function as an active interface to all project participants and support in conflict resolution
