

Management Accountant / Controller (m/f)

Full-time

Fazua is an ambitious and dynamic mid-sized company with almost 60 employees located in Ottobrunn. We have set ourselves the goal of revolutionizing the eBike market in the long term. With our innovative evation drive system, we were able to present a drive system in 2017 that focuses primarily on sporty requirements while still conveying the natural driving sensation of a non-motorized bicycle

In order to continue to be successful, we are looking for you!

What you need:

- Willingness to take on comprehensive responsibilities in the finance department including accounting, controlling and treasury
- Certified management accountant or similar education
- Ideally experience in the accounting of manufacturing companies
- Knowledge in controlling and budgeting
- Fluent in German and English
- Open to digital and automated processes and the introduction of new systems

What you will be doing:

- Operational support of the current accounting and balancing
- Preparation of monthly and annual financial statements
- Supervision of annual budget planning
- Ongoing liquidity planning
- Supervision of payment transactions
- Responsibility for sub-projects as part of the introduction of new IT systems

What we offer:

- The opportunity to grow with FAZUA and develop yourself personally
- Young and dynamic team
- Refreshingly new conception of industry, work and team spirit
- High degree of personal responsibility, right from the start
- Attractive payment
- Voluntary social benefits (company pension plan)
- Flexible working hours
- Possibility to lease a bike or pedelec via JobRad portal
- Possibility to come to work on a staff eBike

Are you interested? Then simply send your CV and motivation letter to Monika Tot (jobs@fazua.com).
