

Service Employee (m/f)

Part-time

Fazua is an ambitious and dynamic mid-sized company with almost 70 employees located in Ottobrunn. We have set ourselves the goal of revolutionizing the eBike market in the long term. With our innovative evation drive system, we were able to present a drive system in 2017 that focuses primarily on sporty requirements while still conveying the natural driving sensation of a non-motorized bicycle.

In order to continue to be successful, we are looking for you!

What you need:

- Very good knowledge of Adobe Cloud and InDesign
- English and German in spoken and written form
- Structured way of working

What you will be doing:

- Establishment and maintenance of an online training tool (webinar) for dealer trainings
- Organization of live trainings and on-site support
- Supervision of our online certification
- Maintenance of our technical documentation, such as user manual, assembly instructions, or training manual

What we offer:

- The opportunity to grow with FAZUA and develop yourself personally
- Young and dynamic team
- Refreshingly new conception of industry, work and team spirit
- High degree of personal responsibility, right from the start
- Attractive payment
- Voluntary social benefits (company pension plan)
- Flexible working hours
- Possibility to lease a bike or pedelec via JobRad
- Possibility to come to work on a staff eBike

Are you interested? Then simply send your CV and motivation letter to Monika Tot (jobs@fazua.com).
